

**Celebrating a century of Swiss Tradition
Limited and numbered edition.**

Generous in both design and Swiss fine watch making tradition the new Mondaine Valjoux 101 watch defines tradition and superior design. Commemorating the legendary locomotive built in 1909, this is the ultimate watch for those who appreciate a timepiece that has made history. The Valjoux was created specifically with the discerning consumer, who highly values what Swiss craftsmanship implies. This is the watch for the Mondaine consumer who knows the meaning of Swiss design and uncompromised quality. With meticulous attention to detail, the Valjoux is a signature of Mondaine excellence. The transparent case back features with each watch

its individual number engraved on the stainless steel bezel, from 001/101 to 101/101 – the scratch resistant sapphire crystal allows the view on the legendary Valjoux Chronograph movement. Mondaine Watch Ltd. offers a true collectors piece for watch enthusiast and design aficionados, complete with an exclusive gift box.

The Mondaine Valjoux has been tested water resistant to 10 ATM, and totes a matte brushed stainless case. The Valjoux is evidence of classic Swiss Quality and available only at authorized, professional watch dealers. This Watch is accompanied by a two-year warranty and backed by the Mondaine International Service Network (MISO). Suggested retail price CHF 2'500.-.

Mondaine represents affordable luxury. The timepiece design is distinct, clean and immediately identifiable thanks to its signature red seconds hand, which also offers superior legibility. This is a superb selling point for retailers and a high-demand feature for consumers. The timepieces are crafted of high-quality materials and are Swiss made.

Mondaine Watch Ltd. is the creator of the Official Swiss Railways Watch collection, licensed by the "Swiss Railways SBB" and launched just over 20 years ago. It represents the consumers' version of the Swiss Railways Clock. In Switzerland, 3,000 of these famous Swiss clocks have indicated the precise time at all Swiss train stations for more than 60 years.
