

25 years of M-Watch

Since a quarter century the Migros sells exclusively the Swiss watch brand M-Watch. Seven million of the robust, reliable and multi various time keepers were manufactured since then in Mondaine watch factory in Biberist SO.

The M-Watch is a Swiss Made quality product at reasonable prices between 43 and 140 Swiss francs. The specialists test all case on their water resistance. Mondaine offers besides an efficient repair service for the M-Watch.

Up-to-date approximately hundred variants of the M-Watch are available - from the superb chronograph to the petite lady watch with gilded elements.

To the anniversary an automatic watch with an interesting Retro look was launched. The mechanical movement is well visible by a glass case back, in addition the models is numbered and limited.
